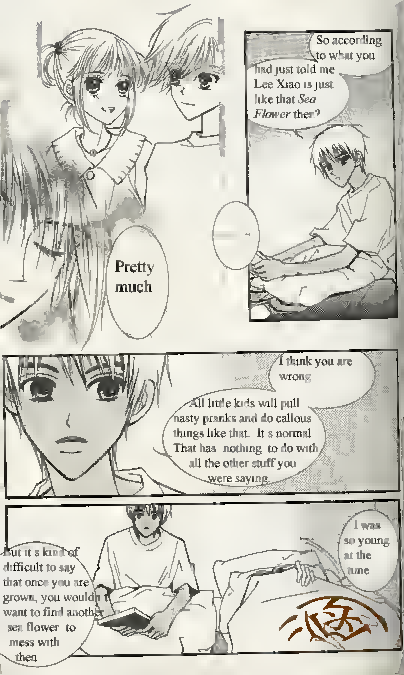
Are you a homeless beggar?
Excuse me???

Why do you like to go after an 'ice cream cone' that someone had already 'licked'?
You heard me. I sa... ARE YOU A HOMELESS BEGGAR?
As long as I like it, it's no big deal. Even if you ate it and spat it out, I'll still take it
ADD
ADD

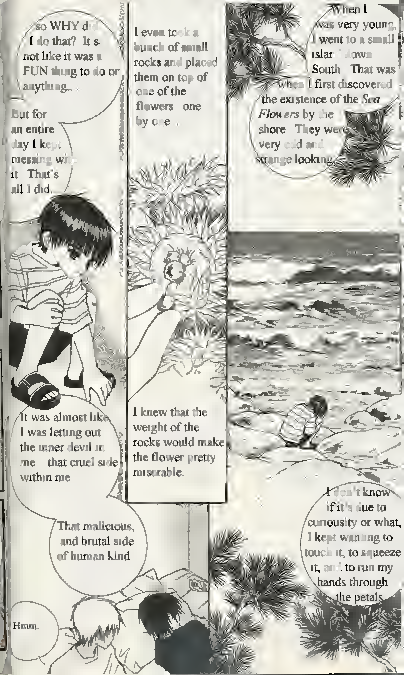
Wanrie hyung, I know for a FACT that you are not that *kind* of person
As long as I *like* it ? As long as you *like* WHAT? I find it hard to believe that there are PEOPLE in this world that you actually *LIKE*
WHAT?
I know you used to *mess around* a lot in your old days. You just want to fool around with Jing-Zhi for the hell of it. You don't actually CARE for her at ALL.
WHY YOU LITTLE.....
You are so FULL OF IT!!!!

You are so ungrateful
You would n't be at where you are today if it wasn t for Lee Wan!
We always yield to you because you are younger Now you are walking all over us!
YOU RUD LITTLE BASTARD!!
An ungracious person like you only deserve ONE thing
which is a GOOD BEATING!!!
I was just trying to loose things up to relax a little
SNAP
Hey what was THAT FOR???????
"TO RELAX A LITTLE"???? Is this subject "RELAXING"??
Lee Xiao has lost it! He's bum -stown!!!
ARGHH!!!
Tell me, WAS THAT CONVERSATION A VERY RELAXING ONE HUH????
GRAB HIS LEG!!!
Lee Wan hyung started this whole thing It wasn't ME!
What the hell do the two of you think you are doing??
THAT'S ENOUGH!!!!
Lee Xiao. how could you do that to your hyung??
Don t give me that 'hyung' bull-crap
A person with no morals is not worthy to be ANYONE S HYUNG
pow!

I just feel like pissing him off
Why did you do THAT???
Why do you always like to get Lee Xino all upset?
Do WHAT?
Sheesh
You really do need to find another hobby
That is so pointless
Making that kid furious is not going to do you any good
No reason
Have you ever seen those strange looking Sea Flowers on the beach?
Sea Flowers?
It's the kind of flower that grows from within the cracks of those giant rocks by the seashore.
Oh Yeah I've seen those



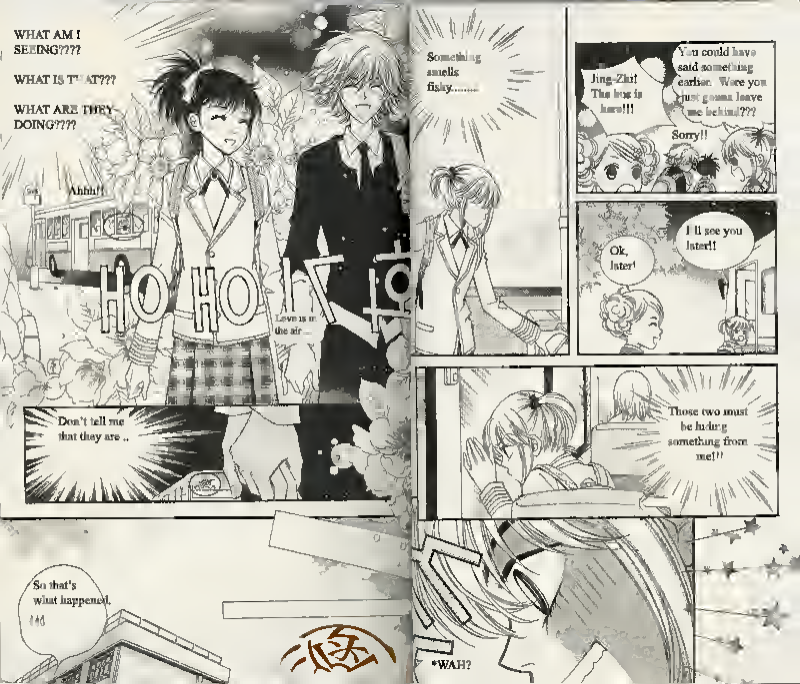
Pretty much
So according to what you had just told me Lee Xiao is just like that *Sea Flower* then?
I thank you are wrong
All little kids will pull nasty pranks and do callous things like that. It's normal That has nothing to do with all the other stuff you were saying
But it's kind of difficult to say that once you are grown, you wouldn't want to find another sea flower to mess with then
I was so young at the time



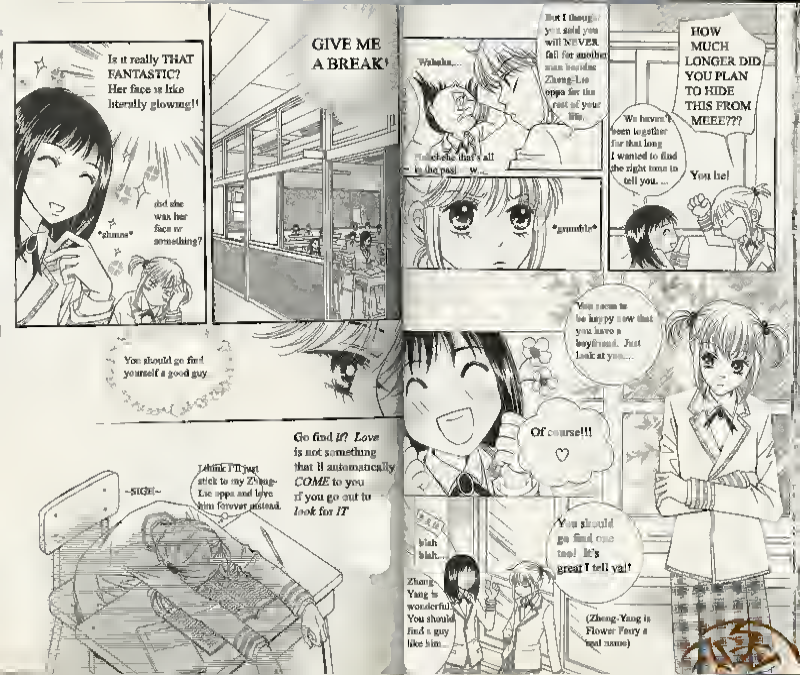
So WHY did I do that? It's not like it was a FUN thing to do or anything..
But for an entire day I kept guessing what it That's all I did.
I even took a bunch of small rocks and placed them on top of one of the flowers one by one
When I was very young, I went to a small island down South That was when I first discovered the existence of the *Sea Flowers* by the shore They were very odd and strange looking
It was almost like I was letting out the inner devil in me that cruel side within me
I knew that the weight of the rocks would make the flower pretty miserable.
That malicious, and brutal side of human kind
I don't know if it's due to curiosity or what, I kept wanting to touch it, to squeeze it, and to run my hands through the petals
Hmm.

What is the matter with you guys?
A rich boy like you just won't understand!
According to my calculation, it has cost at least 200,000 won.
where in the world am I going to get that kind of money?
WE ARE TALKING ABOUT THE MONEY FOR THE DDL CONCERTS !!!!!
WHAT MONEY?? How come I don't know anything about it?
Just go ask your mommy!!
Grrrr
DIE!! DIEEE!!!! Rich people like YOU SHOULD ALL DIE!!!!
beats him up
The tickets will go on sale next week! How will we get the money????
(They start to talk about how much it'll cost to go to the concerts etc not translated)
I really HATE the DARK SIDE OF ME...
It's true...
At the end, that Sea Flower
was eventually crushed to death under all those rocks.
10 15 19 23
sigh

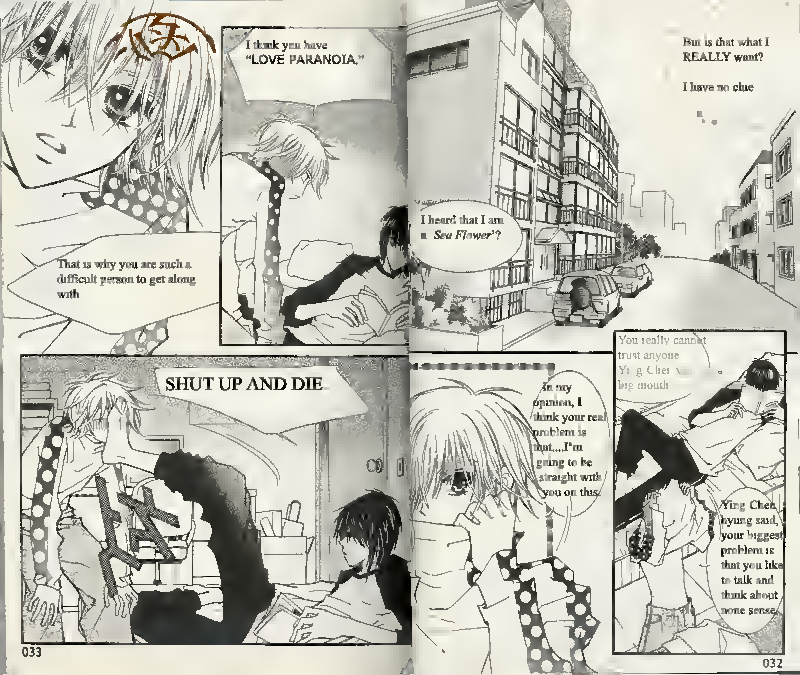
Be careful now. See you next week!!
Okay, bye!!
Alice don't forget about the test tomorrow!
We can buy tickets to the show in Seoul first.
The other shows we'll have to figure out a way to pay for them.
We can reserve for those first, and then pay later
NOOOOOOOOOOOO!! If you want to sell those, sell them to MEE!!! Don't you DARE sell them to OTHERS
But you don't have any money
Maybe I can sell some of my stuff
I can get some decent money with my collectibles.
STILL!
That would only mean we have to go for the illegal stuff!
We can't do THAT!!
But that'd still take a long time to save up. Is there a faster way??
Ahhhhh maybe we should go find a temporary job
Huh?
Hey Flower Fairy, why are you going that way? Don't we always ride the same bus home together?
Hehe. well, I have something else that I need to do so I'm gonna go with Xiao-Shan this time.
Vagh
Waaaah!!
??!!!
To keep your love going strong, you must fill your financial needs first
Now I finally know what THAT REALLY MEANS !!!



WHAT AM I SEEING????
WHAT IS T"AT???
WHAT ARE THEY DOING????
Ahhh!!
HO HO
Love is in the air ...
Don't tell me that they are ..
Something smells fishy.....
Jing-Zhi! The bus is here!!!
You could have said something earlier. Were you just gonna leave me behind???
Sorry!!
Ok, later!
I'll see you later!!
Those two must be hiding something from me!!!
So that's what happened.
*WAH?



Is it really THAT FANTASTIC? Her face is like literally glowing!!
shine
did she wax her face or something?
GIVE ME A BREAK!
You should go find yourself a good guy.
But I thought you said you will NEVER fall for another man besides Zhong-Lie oppa for the rest of your life.
Wahaha...
Hehehe that's all in the past... w...
grumble
HOW MUCH LONGER DID YOU PLAN TO HIDE THIS FROM MEEE???
We haven't been together for that long I wanted to find the right time to tell you...
You he!
You seem to be happy now that you have a boyfriend. Just look at you...
Of course!!!
♡
Go find it? Love is not something that'll automatically COME to you if you go out to look for IT
I think I'll just stick to my Zhong-Lie oppa and love him forever instead.
~SIGH~
blah blah...
You should go find one too! It's great I tell ya!!
Zhang-Yang is wonderful. You should find a guy like him...
(Zhong-Yang is Flower Fairy a real name)



I think you have "LOVE PARANOIA."
That is why you are such a difficult person to get along with
But is that what I REALLY want?
I have no clue
I heard that I am a *Sea Flower*'?
You really cannot trust anyone Ying Chen's big mouth
In my opinion, I think your real problem is that...I'm going to be straight with you on this.
Ying Chen, Ayung said, your biggest problem is that you like to talk and think about none sense.
SHUT UP AND DIE

Don't worry
grabs
Jing-Zhi is a *Sea flower* too
mm
pats
You are such a DORK sometimes haha.
I need to ask you for one thing...

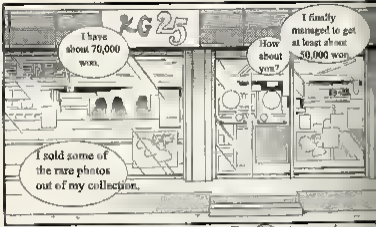
Have you heard of foot fungus? Have a taste!
OU ARE DISGUSTING!!!

I guess I'll forgive you then.



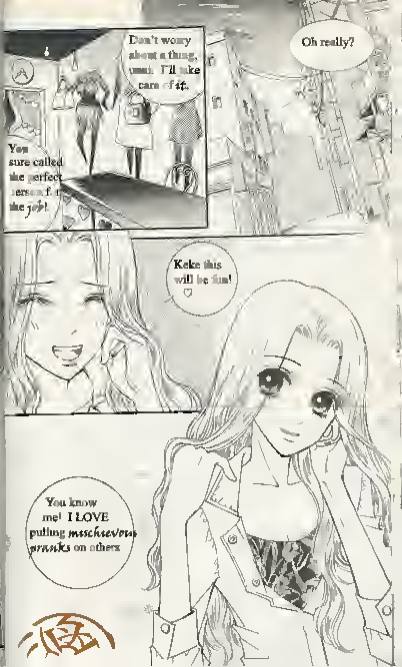
I have about 70,000 won.
How about you?
I finally managed to get at least about 50,000 won.
I sold some of the rare photos out of my collection.

Have you thought of other ways to get more money???
No.
Poor you
Wahahaha~ I am the poorest one!
I've heard stories of students forging checks using our Principle's signature!
Maybe you should consider forging a check!?
You got any other bright ideas then?
That is against the LAW!!!!

Did you eat dinner yet?
Oh that's right. It's still way too early for dinner at this time of day.
Are you here to see Eugene? She left not long ago to buy some materials for Yo-ti's new costumes
Do you want something to drink?
Miss Shu-li can you please get a drink for this young lady here?
Fine
No no it's ok. Since auntie isn't around, I'll just.
Aaww come on!
You are already here! Have a little something before you go!
Ugo~ I should'nt have come.
She doesn't know how to ask for the money
Well..
Hehe..
Yeah! Why don't you try THAT? That's an easy way to go.
Does Yo-ti's aunt's boyfriend have a lot of money?
Why don't you try to squeeze some out of his pocket?
Oh yeah..
Can I REALLY DO THAT??
Oh it's my future wife's favorite niece!!
Will it work???
here to see me? I kept telling you that you can come visit whenever you'd like but you never did!!

Can I,um! (Barbie s real name)
Yes?
(they are having a discussion about some activities for the fan club...)
What is it? Is there someone outside by the door?
No. I just heard a familiar voice, that s all.

Whenever I make someone cry,
It brings a smile to my face.



Don't worry about a thing, umm. I'll take care of it.
You sure called the perfect person for the job!
Oh really?
Keke this will be fun!
You know me! I LOVE pulling mischievous pranks on others

I want to take you out to eat, but I'm kind of tied up right now so...

He became invisible to Jing-Zhi since the shock is all she sees now.
Uncle, I love you.....
You don't have to worry about a thing. I won't say a word to Eugene about this.
DING!
Elevator's here. Get going now and be careful, ok?
IS THIS REALLY TRUE???
Oh it's ok. It's no big deal.
You came all the way here but you didn't even get to see Eugene.
~Sigh~ It's not easy being poor....
I wanted a cab just to come here.
I'm sorry.
Jing-Zhi. Before you go,
Mr. Community is in the house
Take this. I don't know what kind of stuff you like so just buy whatever you want with THIS.
Check

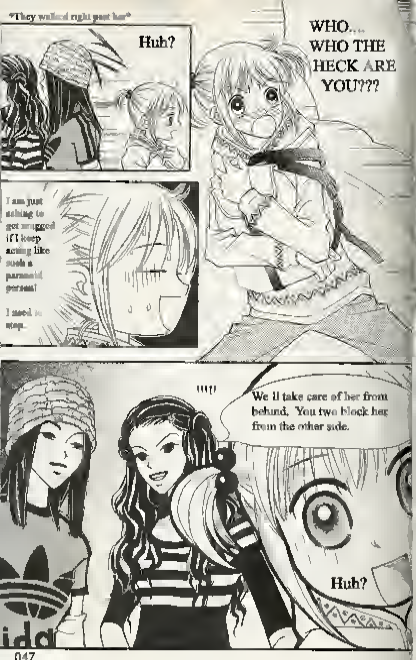
Wahaha!!!! I have a check for 100,000 won in my hand!!!!
I'm glad that I listened to my senpais.
I didn't make this trip for nothing after all!!!
Senpais? We are the same AGE!!!



"They walked right past her"
Huh?
WHO... WHO THE HECK ARE YOU???
I am just talking to get struggled if I keep acting like such a paranoid person!
I need to stop...

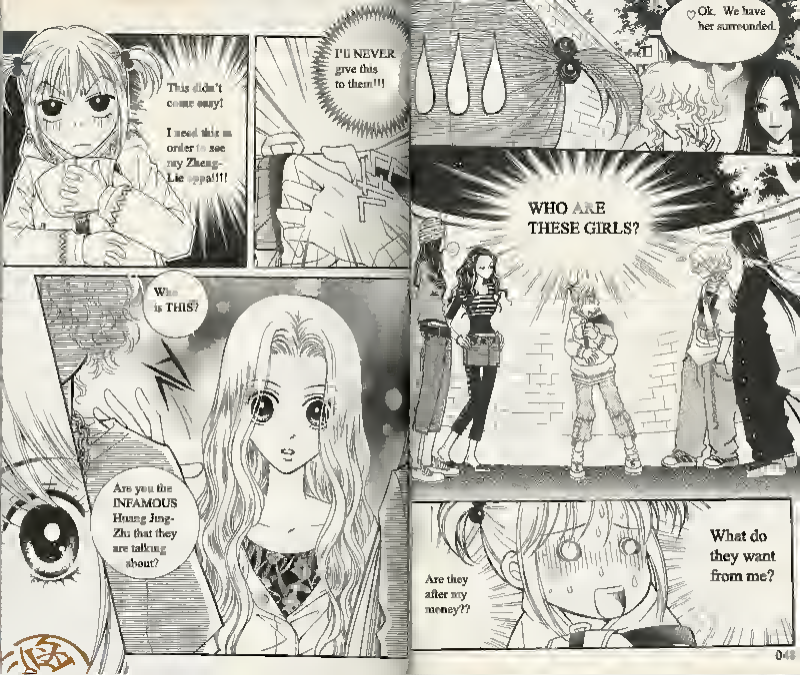
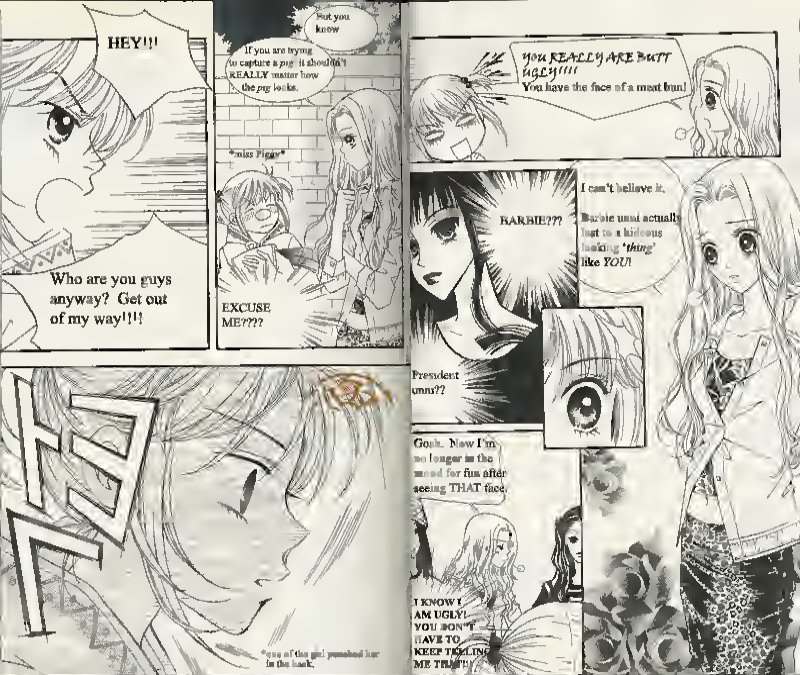
We'll take care of her from behind. You two block her from the other side.
Huh?

"Walking alone this late at night with the all this money on me is a little scary"
I keep thinking that I am being followed or something....
urmm
!!!!!

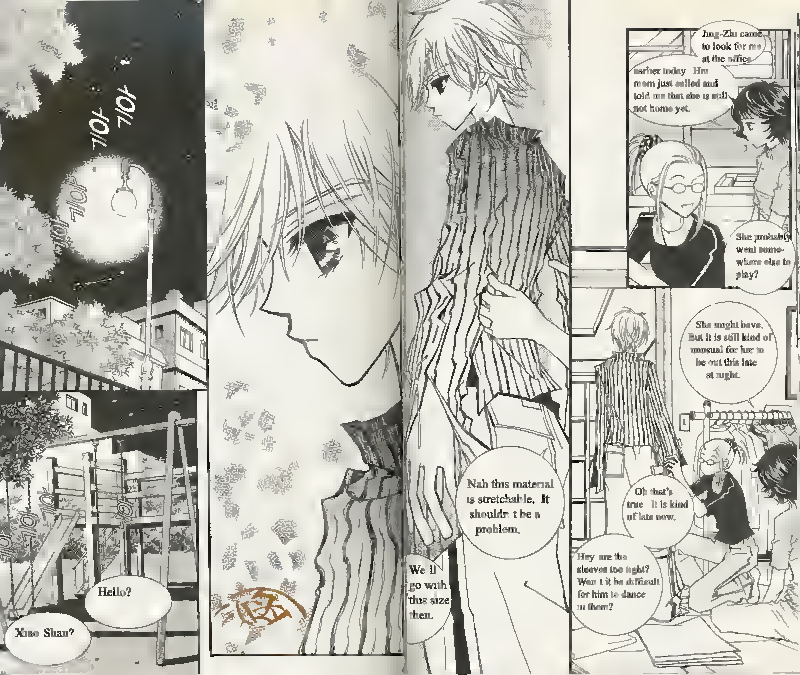


This didn't come easy!
I need this in order to see my Zhang-Lie oppa!!!!
I'll NEVER give this to them!!!
Ok. We have her surrounded.
WHO ARE THESE GIRLS?
What is THIS?
Are you the INFAMOUS Hwang Jing-Zhi that they are talking about?
Are they after my money??
What do they want from me?

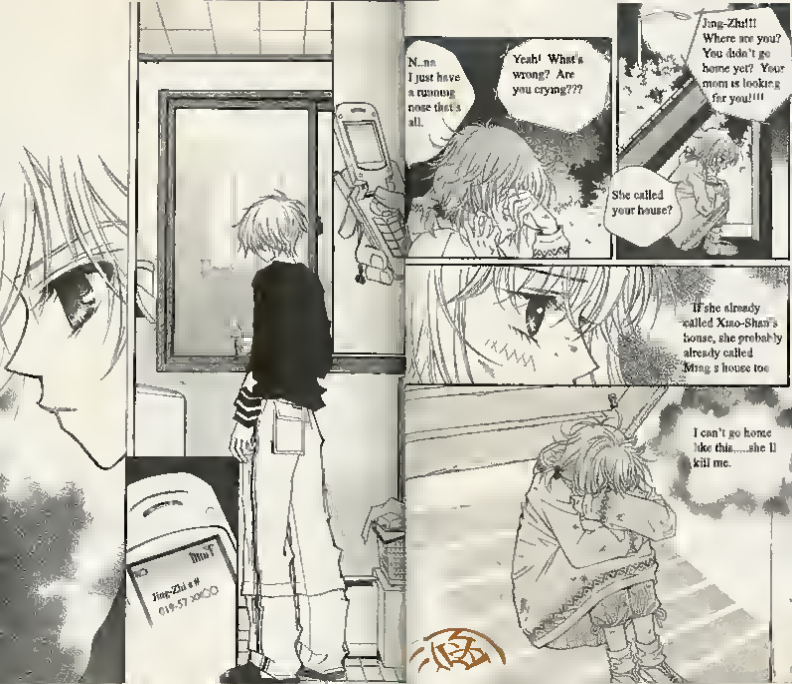


HEY!!!
Who are you guys anyway? Get out of my way!!!!
but you know
If you are trying to capture a pig it shouldn't REALLY matter how the pig looks.
miss Piggy
EXCUSE ME????
you REALLY ARE BUTT UGLY!!!!
You have the face of a meat bun!
BARBIE???
President umm??
I can't believe it.
Barbie must actually look to a hideous looking 'thing' like YOU!
Gosh. Now I'm no longer in the mood for fun after seeing THAT face.
I KNOW I AM UGLY! YOU DON'T HAVE TO KEEP TELLING ME THAT!!!
*one of the girl punched her in the back.

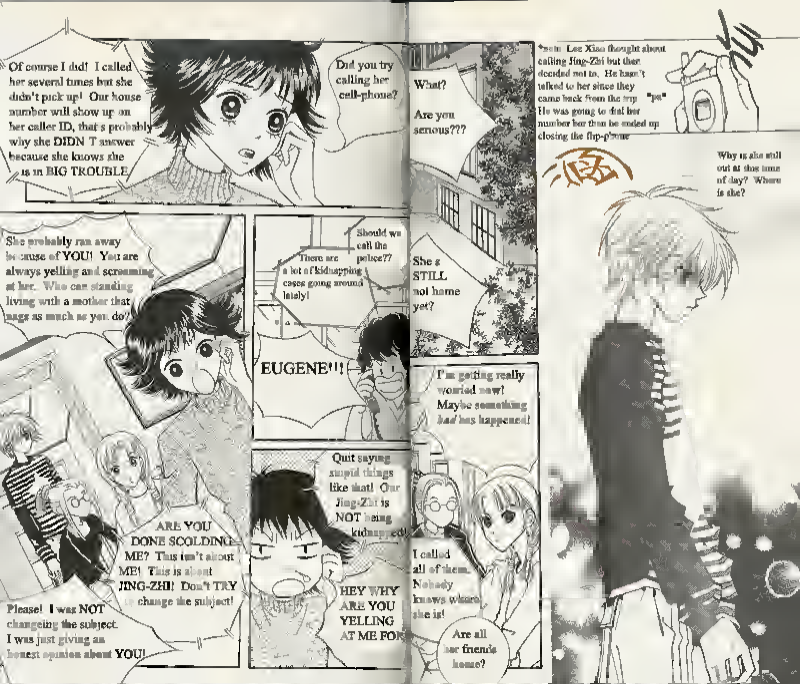
How many times do I have to tell you that DDT is a pesticide???
That kid must be out there chasing after that DDT again! That's why she's still not back yet!
I will NOT let her get away with it THIS TIME around. I don't care what she says all those gasss stuff will be burned to ashes tomorrow.
flame
Really? She didn't go home yet??
Ok. I got it As soon as she gets home tell her to call me right away
How strange.
What is it?
I've been wanting to try out my new trick. I'll just operate on you today!
Cover her mouth first so she'll keep quiet.
Get ready now and enjoy what ♡ is about to come!



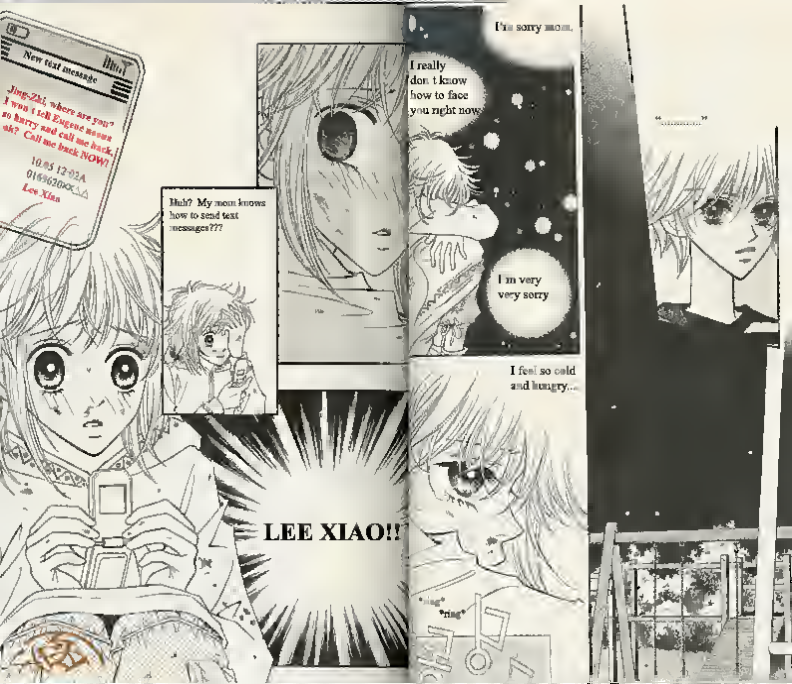
TOU
TOU
Hello?
Xiao Shan?
Nah this material is stretchable. It shouldn t be a problem.
We ll go with this size then.
Jing-Zhi came to look for me at the office earlier today. Hm mom just called and told me that she is still not home yet.
She probably went somewhere else to play?
She might have. But it is still kind of unusual for her to be out this late at night.
Oh that's true. It is kind of late now.
Hey are the sleeves too tight? Won t it be difficult for him to dance in them?



N...no
I just have a running nose that's all.
Yeah! What's wrong? Are you crying???
Jing-Zhi!!! Where are you? You didn't go home yet? Your mom is looking for you!!!!
She called your house?
If she already called Xmo-Shan's house, she probably already called Ming's house too
I can't go home like this.....she'll kill me.
Jing-Zhi's #
018-57 20CO



Of course I did! I called her several times but she didn't pick up! Our house number will show up on her caller ID, that's probably why she DIDN T answer because she knows she is in BIG TROUBLE
Did you try calling her cell-phone?
What?
Are you serious???
Meanwhile Lee Xiao thought about calling Jing-Zhi but then decided not to. He hasn't talked to her since they came back from the trip. He was going to dial her number but then he ended up closing the flip-phone
"pa"
Why is she still out at this time of day? Where is she?
She probably ran away because of YOU! You are always yelling and screaming at her. Who can standing living with a mother that nags as much as you do?
Should we call the police??
There are a lot of kidnapping cases going around lately!
She s STILL not home yet?
EUGENE!!!
I'm getting really worried now! Maybe something bad has happened!
ARE YOU DONE SCOLDING ME? This isn't about ME! This is about JING-ZHI! Don't TRY change the subject!
Please! I was NOT changeing the subject. I was just giving an honest opinion about YOU!
Quit saying stupid things like that! Our Jing-Zhi is NOT being kidnapped!
HEY WHY ARE YOU YELLING AT ME FOR
I called all of them. Nobody knows where she is!
Are all her friends home?



New text message
Jing-Zhi, where are you? I won't tell Eugene mean so him? and call me back, ok? Call me back NOW!

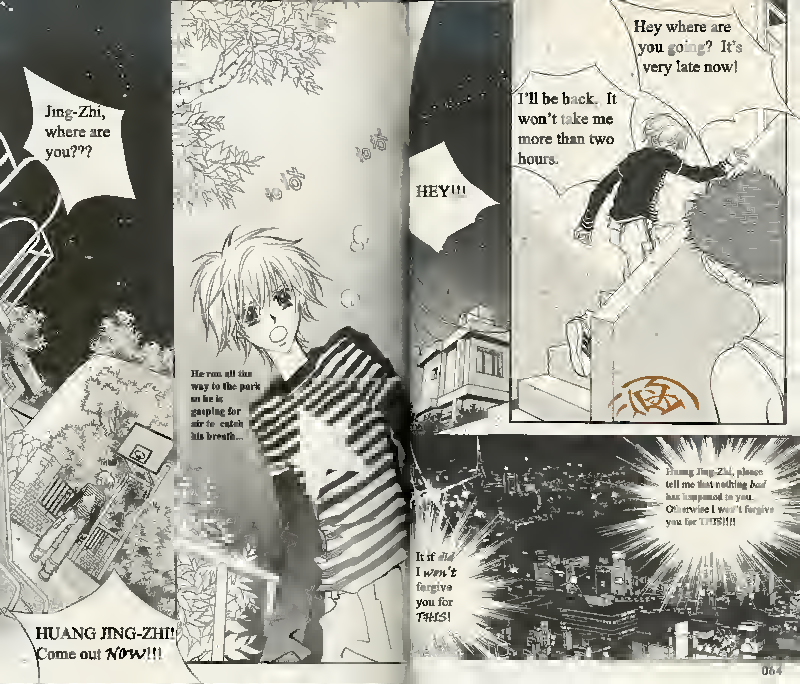
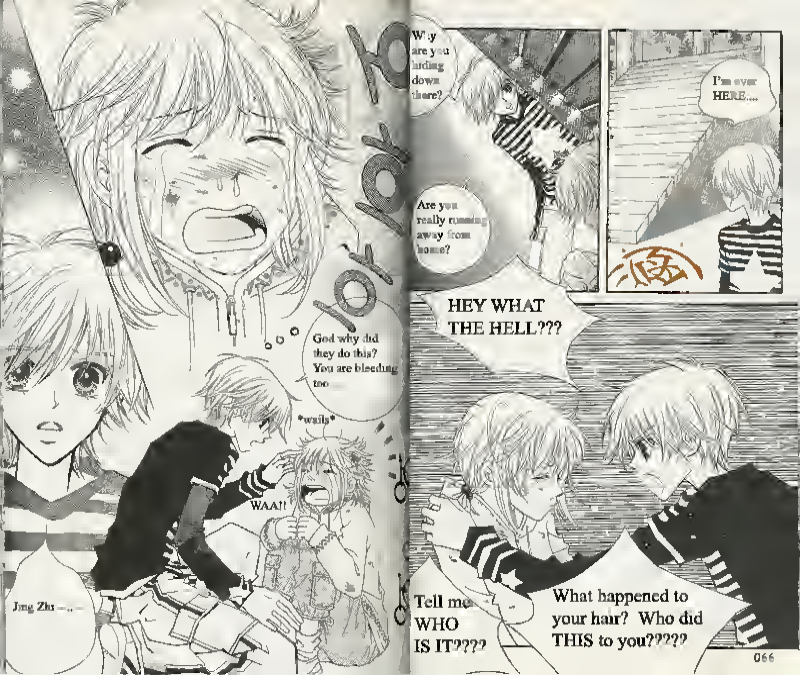
Lee Xiao
Huh? My mom knows how to send text messages???
LEE XIAO!!
I'm sorry mom.
I really don't know how to face you right now.
I'm very very sorry
I feel so cold and hungry...
"ring" "ring"
"....."

I'm at the park near my house. You've been here before. (Note: it's the same park where Lee Xiao ran into Flower Fairy that one time)
I'm going out.
TELL ME WHERE YOU ARE. I'LL COME TO YOU NOW!!!!!
DUMMY! DON'T JUST KEEP CRYING!!!! TELL ME WHERE YOU ARE!!!!
Hello? Jing Zhi...is it you??
Where are you? Are you with someone?
Lee... Xiao ...
Ding-ling
Where in the world ARE YOU?!?!
WAAA!!!! *cries* Lee Xiao!!!!!!!
Hello? Hey answer me! What's wrong? Did something happen???



Jing-Zhi, where are you???
HUANG JING-ZHI! Come out *NOW*!!!
He ran all the way to the park so he is gasping for air to catch his breath...
HEY!!!
Hey where are you going? It's very late now!
I'll be back. It won't take me more than two hours.
It if *is* I *won't* forgive you for *THIS*!
Huang Jing-Zhi, please tell me that nothing *bad* has happened to you... Otherwise I won't forgive you for *THIS*!!!

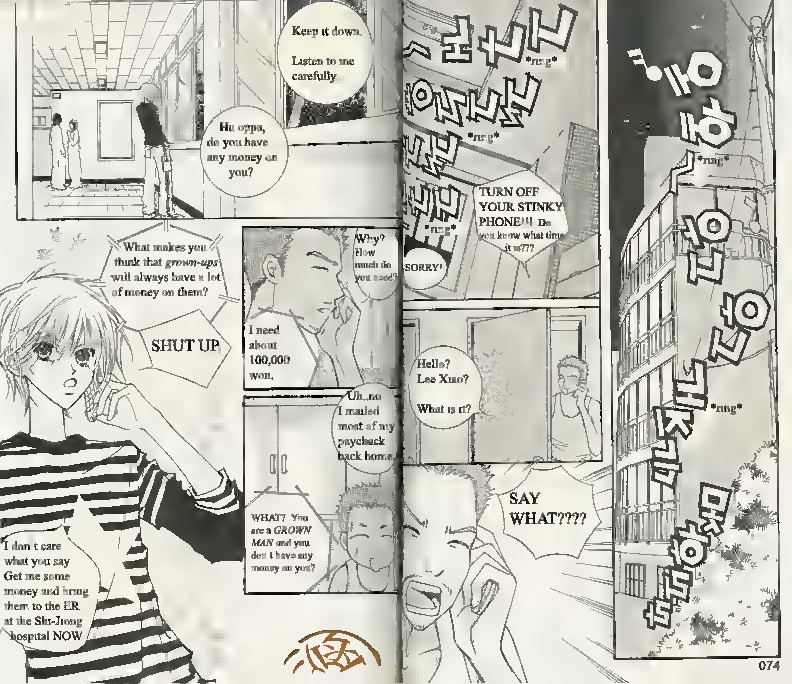


Why are you hiding down there?
Are you really running away from home?
I'm over HERE...
HEY WHAT THE HELL???
Tell me WHO IS IT????
What happened to your hair? Who did THIS to you?????
Jing Zhi —..
WAA!!
wails
God why did they do this? You are bleeding too
Ah Yi

Lee Xiao—
cries...
I WILL NEVER FORGET THIS——
WHOEVER DID THIS, I WILL NEVER LET THEM GET AWAY WITH IT!!!!

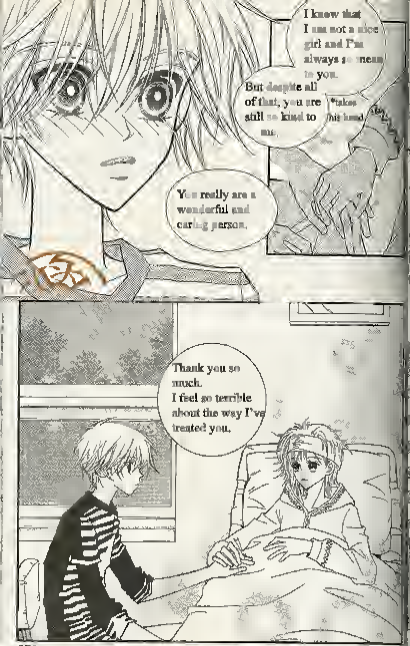
She had finally forgiven me for what happened LAST TIME and THIS TIME, the same thing happened again.
She'll ground me for the rest of my life and that means I cannot go see the concerts
She's not going to like this one bit.
Let's go home
I'll take you home
NO!!
"shoves him away"
WHY NOT? You HAVE to go home so your parents can take you to get some treatments! You are hurt!!!!
!!!
ARE YOU OUT OF YOUR MIND??? All you can think about is some STUPID CONCERT at a time like THIS??
Wait. You just said.
{LAST TIME} and {THIS TIME}
Do you have ANY IDEA about how worried your mother is? She's been looking EVERYWHERE for you.!
NO I can't go home.

Is it president sensei?
She did THIS to you again?

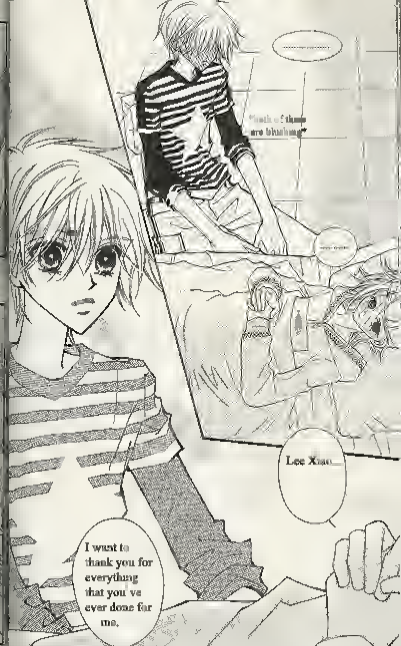


Keep it down.
Listen to me carefully.
Hu oppa, do you have any money on you?
What makes you think that grown-ups will always have a lot of money on them?
SHUT UP
I don't care what you say. Get me some money and bring them to the ER at the Shi-Jeong hospital NOW
Why? How much do you need?
I need about 100,000 won.
Uh...no. I mailed most of my paycheck back home.
WHAT? You are a GROWN MAN and you don't have any money on you?
ring
TURN OFF YOUR STINKY PHONE!!! Do you know what time it is???
SORRY!
Hello? Lee Xiao?
What is it?
SAY WHAT????
ring

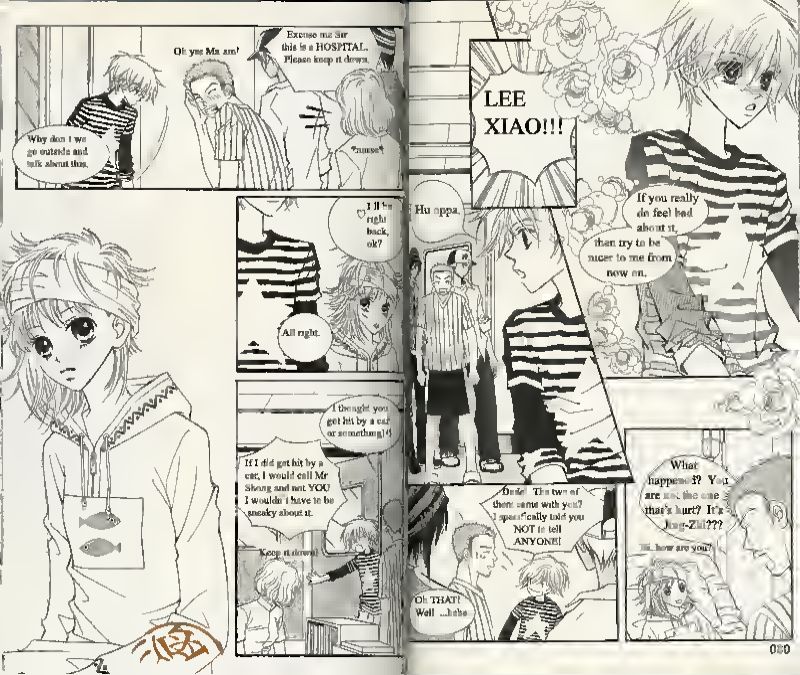
Hehe
You are mad?
You know you are ugly?
Stop saying that I'm UGLY
It's a good thing that you didn't break any bones! After they wrap up your ankle with the brace when it heals you'll be good as new
And your hair? You probably need to shave some of it off. That'll make you look even uglier
WHY THE EMERGENCY ROOM? IS SOMEONE INJURED?
HELLO? LEE XIAO?!?!
Ahhh?
And DON'T TELL ANYONE ABOUT THIS Especially NOT Mr. Shong, GOT IT?
WHAT?
Emergency room???
Is Lee Xiao hurt????
I don't know. He told me not to tell anyone
Yes, I know. I am NOT blind.
The mirror tells me that everyday



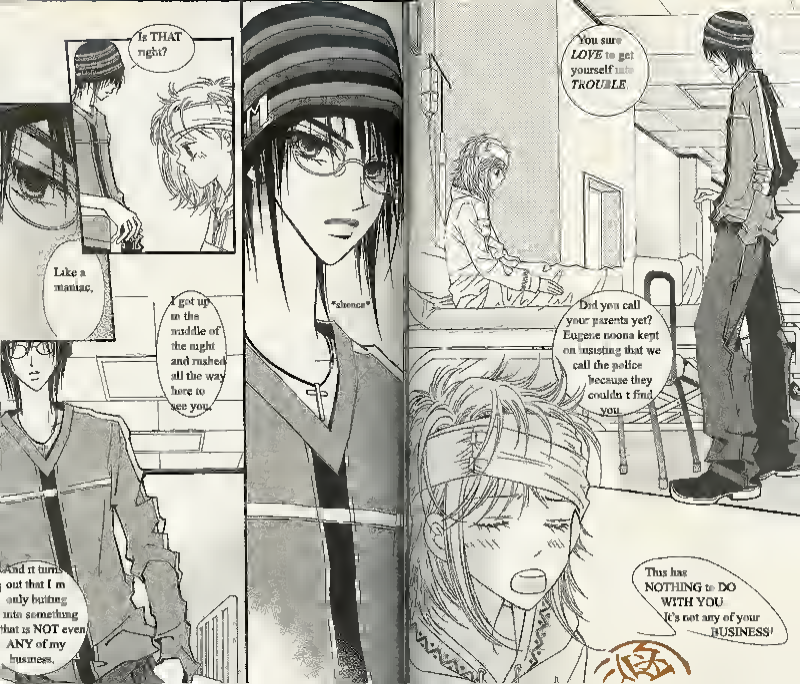
I know that I am not a nice girl and I'm always so mean to you.
But despite all of that, you are still so kind to me.
You really are a wonderful and caring person.
Thank you so much. I feel so terrible about the way I've treated you.



"Sounds of thumps are blending"
Lee Xiao...
I want to thank you for everything that you've ever done for me.

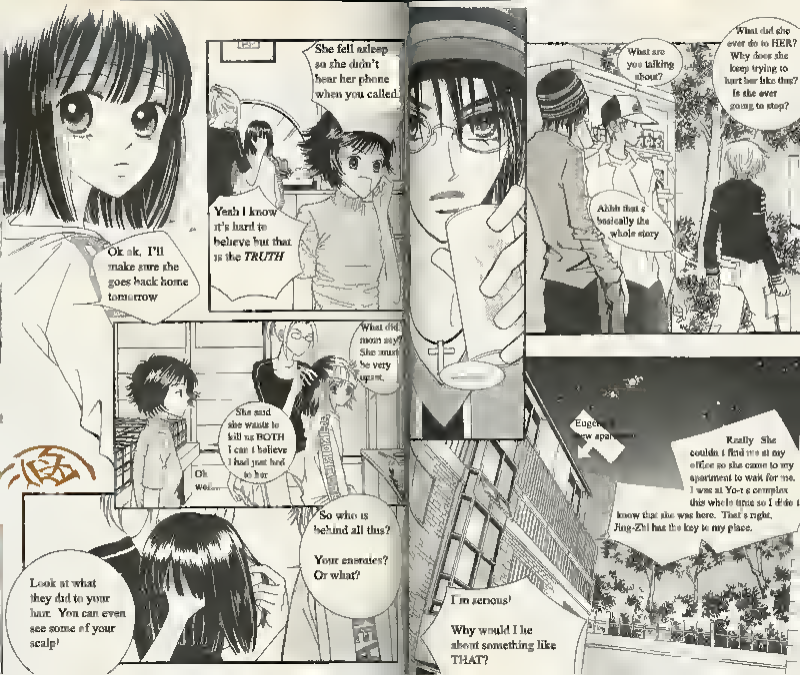


Why don t we go outside and talk about this.
Oh yes Ma am!
Excuse me Sir this is a HOSPITAL. Please keep it down.
nurse
I ll be right back, ok?
All right.
I thought you got hit by a car, or something!!
If I did get hit by a car, I would call Mr Sikong and not YOU! I wouldn t have to be sneaky about it.
Keep it down!
LEE XIAO!!!
Hu oppa.
If you really do feel bad about it, than try to be nicer to me from now on.
Dude! The two of them came with you? I specifically told you NOT to tell ANYONE!
Oh THAT! Well ...hehe
What happened?! You are not the one that s hurt? It s Jun-Zhi???
Jie, how are you?

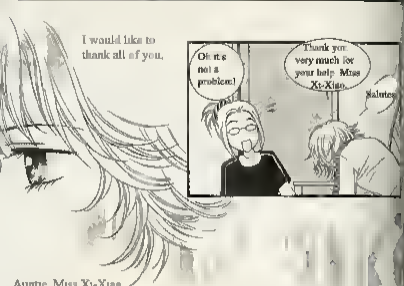


Is THAT right?
Like a maniac,
I got up in the middle of the night and rushed all the way here to see you.
And it turns out that I m only butting into something that is NOT even ANY of my business.
"silence"
You sure LOVE to get yourself into TROUBLE.
Did you call your parents yet? Eugene noona kept on insisting that we call the police because they couldn t find you
This has NOTHING to DO WITH YOU It's not any of your BUSINESS!

BORROW MY ASS!!!!
I caught you when you were trying to steal from me!
I thought I'd borrow some from Lee Wan
You have no idea how much I miss you.... and when you finally came to see me, I look like such a MESS...
Huang Jing Zhi, you really should DROP DEAD!
Yeah yeah you did a GREAT job. Now please go pay the bill so I can take Jing Zhi home
My goodness.
Yes, Sir! Right away!!
Just because my eyes were closed, it doesn't mean I was ASLEEP
That was YOUR FAULT! You were the one who was pretending to be asleep just to trick me!!
ANYWAY
At least Mr. Shang still doesn't know anything. I still did a good job right???
What's up with her? I thought she "was away from home"? How come she was with you?
We thought you were the one that got send to the ER. You scared us half to death!
What happened, exactly?
This is kind of a long story....
When you called me, Ying-Chen was eavesdropping....
Liar! You were just too freaking LOUD! It's hard to NOT hear you!
Ying-Chen didn't have any reason to...
Let me explain what happened.



Ok ok. I'll make sure she goes back home tomorrow
She fell asleep so she didn't hear her phone when you called.
Yeah I know it's hard to believe but that is the TRUTH
What did mom say? She must be very upset.
She said she wants to kill us BOTH I can't believe I had your best interest at heart
Oh well...
Look at what they did to your hair. You can even see some of your scalp!
So who is behind all this?
Your enemies? Or what?
I'm serious!
Why would I lie about something like THAT?
What are you talking about?
What did she ever do to HER? Why does she keep trying to hurt her like this? Is she ever going to stop?
Ahhh that's basically the whole story
Eugene's new apartment
Really. She couldn't find me at my office so she came to my apartment to wait for me. I was at Yo-t's complex this whole time so I think I know that she was here. That's right. Jing-Zhi has the key to my place.



I would like to thank all of you,
Oh it's not a problem!
Thank you very much for your help Miss Xi-Xiao.
Salutes
Auntie, Miss Xi-Xiao, Mr. Hu and others.

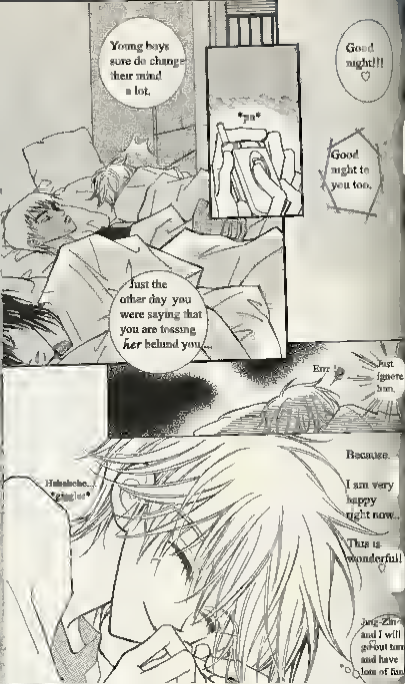
Especially Lee Xiao...

At that time,
I really am extremely scared to be all alone.

You'll have bad luck for 3 years in a row and the last year will be the WORST.
3 crisis? What's THAT?
So I guess even kids have the 3 major crisis, too?
Seeing you like this, it reminds me of the 3 crisis.
This one's better.
We both agree on this wig, right? It's the cutest one on
Yes

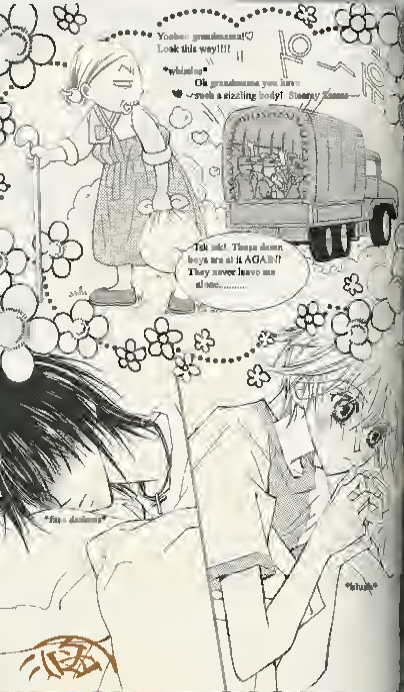
Before your hair grows back to how it was, just wear this in the meantime.
Now say thank you to Miss Xi-Xiao

Oh nothing. I was just thinking about how tough and malicious you appeared to be when I first met you
Keke!
Why are you laughing?
But now, I know for a fact that you are not like that at ALL. You still cannot really protect yourself if you are in trouble huh.
That's why you need ME!
"WHAT DO YOU MEAN I CAN T PROTECT MYSELF" The reason why I always get hurt is because there's always more than 1 person against me. If it's me on one, I'd definitely come out to be the winner.
Ah.....
You
Pushshe!!
Ok ok you win! I've fought with you before so I know what a *tough fighter* you really are I know it all TOO WELL. Huang Jung-Zhi is a STRONG FIGHTER!
after you came.. and told me that everything will be ok.
You really did calm me down. I wasn t so scared anymore then.
Mmm. How are you feeling now?
I'm fine Thanks for asking



Young boys sure do change their mind a lot.
yn
Good night!!! ♡
Good night to you too.
Just the other day you were saying that you are tossing *her* behind you...
Eeyr
Just ignore him.
Because...
I am very happy right now..
This is wonderful! ♡
Hahaha... *giggle*
Jang-Zin and I will go out tom and have lots of fun!

#Ey you!
!!!
There are other people in the same room too!!!
Don't try to test my patience Go to sleep N♥W! Otherwise there will be HELL TO PAY
It's nothing We can talk more tomorrow You must be very tired now Go rest, ok?
What did he say???

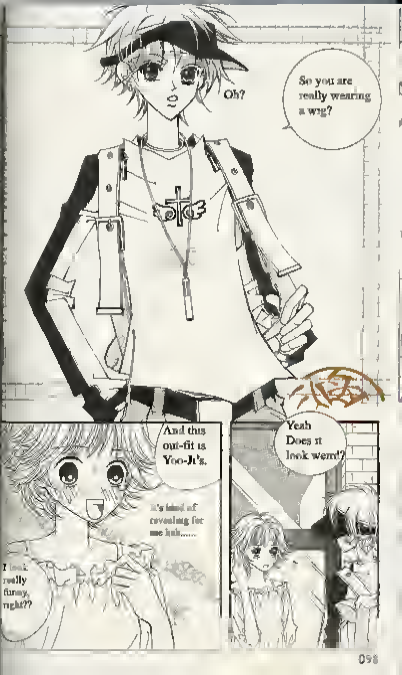


Yoohoo grandmama!!
Look this way!!!!
whistles
Oh grandmama you have a sizzling body!
Tak tak! Those damn boys are at it AGAIN!! They never leave me alone.....
fan- dailiesly
shake

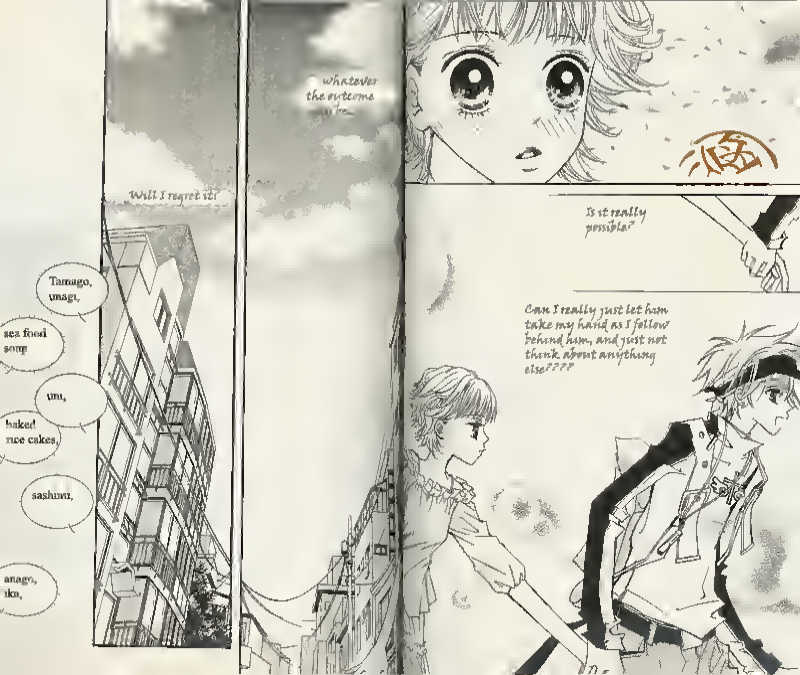
You know what I think?
Honestly, Jing-Zhi is not a hot item that is worth to be fussing over I guess you can say that she is close to being average if you want to be sure about it. The reason why the 2 of you are like this, is because there's no other girl around.
That must be IT. So the two of you are just WAY too hungry for IT
I think the two of YOU are just too hungry.
What?
I beg your pardon?
It's just like soldiers who have been in the military for too long. Whenever they see a skirt, they relate that to a hot girl.

[Lee Xiao]
You don't know what you are talking about. If you take a good look, my Jing-Zhi has LOTS of beautiful features. You just didn't see them!!!
[Lee Wan]
Don't drag me into THIS. She is nothing but a *Sea Flower* to me
[Mr Hu]
All of you be quiet and go to sleep please!!!!
HEY LISTEN TO MEEE!!!

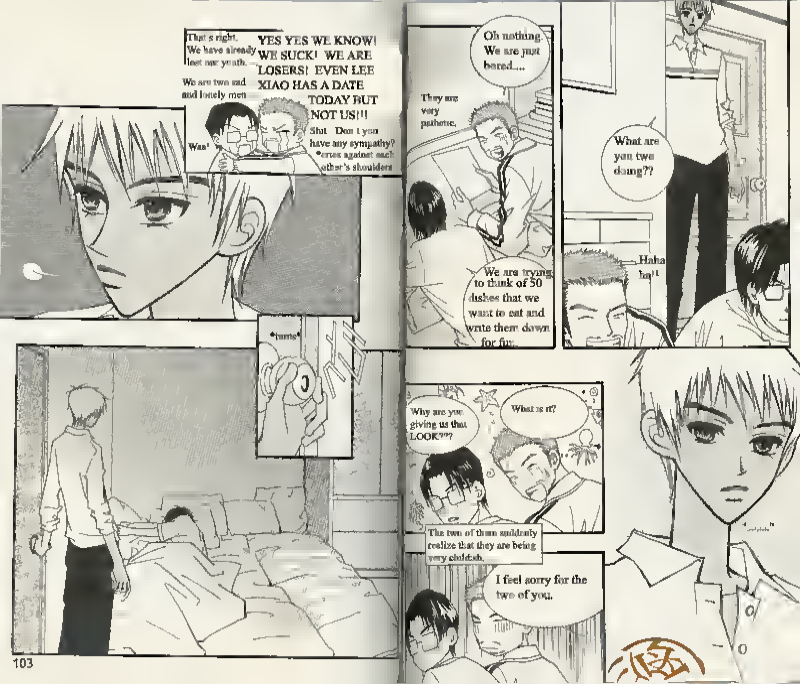
Nope! I think you look veeeery pretty!!!
Yup yup!
bump nods
Let's go!!
Let's have some fun today. Don't think about anything else, ok?
grabs her hand



Oh?
So you are really wearing a wig?
And this out-fit is Yoo-Ji's.
It's kind of revealing for me huh.....
I look really flimsy, right??
Yeah Does it look weird?



Will I regret it?
whatever the outcome may be...
Is it really possible?
Can I really just let him take my hand as I follow behind him, and just not think about anything else????
Tamago, unagi,
sea food soup
uni,
baked rice cakes,
sashimi,
anago,
iku,

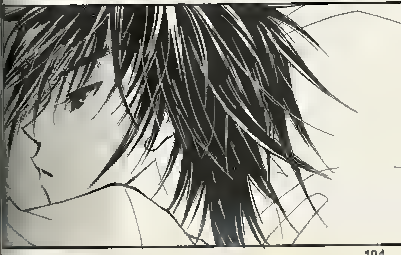


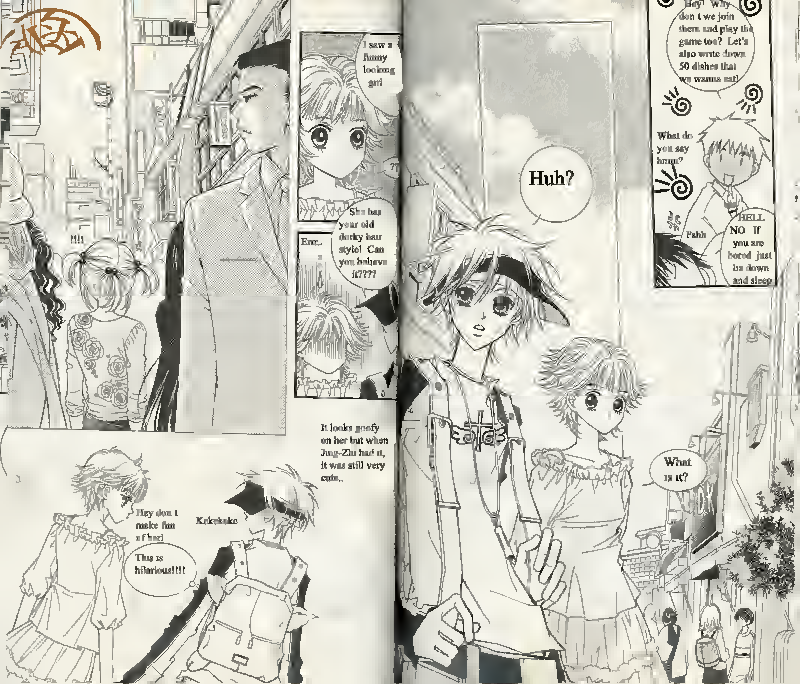
That's right. We have already lost our youth.
We are two sad and lonely men.
YES YES WE KNOW! WE SUCK! WE ARE LOSERS! EVEN LEE XIAO HAS A DATE TODAY BUT NOT US!!!
Wan'
Shit. Don't you have any sympathy?
cries against each other's shoulders
Oh nothing. We are just bored....
They are very pathetic.
We are trying to think of 50 dishes that we want to eat and write them down for fun.
What are you two doing??
Haha ha!!
turns
Why are you giving us that LOOK???
What is it?
The two of them suddenly realize that they are being very childish.
I feel sorry for the two of you.

Ahhhhh...
This is soooooooooo boring.....

Whenever Lee Xiao is not around, the entire complex just becomes so 'lifeless'

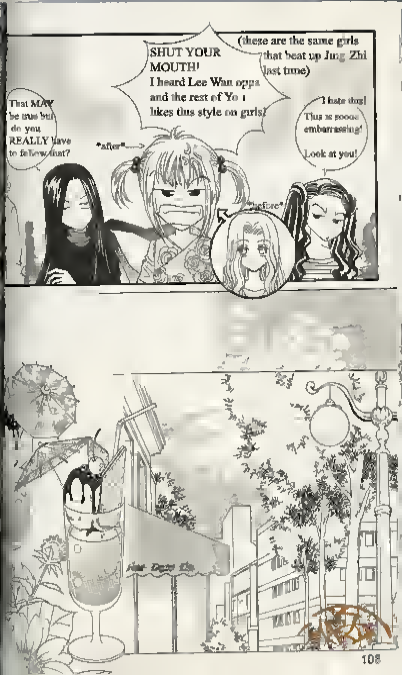
Are you still asleep???





Huh?
I saw a funny looking girl
She has your old dorky hair style! Can you believe it????
Eeer..
It looks goofy on her but when Jung-Zhi had it, it was still very cute..
Hey don t make fun a Chou!
Kekekeke
Thu is hilarious!!!!
Hey! Why don t we join them and play the game too? Let's also write down 50 dishes that we wanna eat!
What do you say hmm?
Pahh
HELL NO If you are bored just lie down and sleep
What is it?

some fun time
I'm so glad that I get to sit here with you like this!!!!
4:30PM.
The later shown are already sold out.
What time does the movie start???

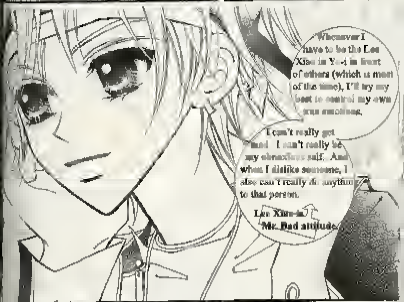


(these are the same girls that beat up Jung Zhi last time)
SHUT YOUR MOUTH! I heard Lee Wan oppa and the rest of Yo i likes this style on girls!
That MAY be true but do you REALLY have to BEwatching?
"after"...
I hate this! This is soooo embarrassing!
Look at you!
Ice Force

I feel like I'm back to my normal self again. I am the Lee Xiao I've always been.
I really really like this kind of feeling.
["snap" Someone took a pic of them.]

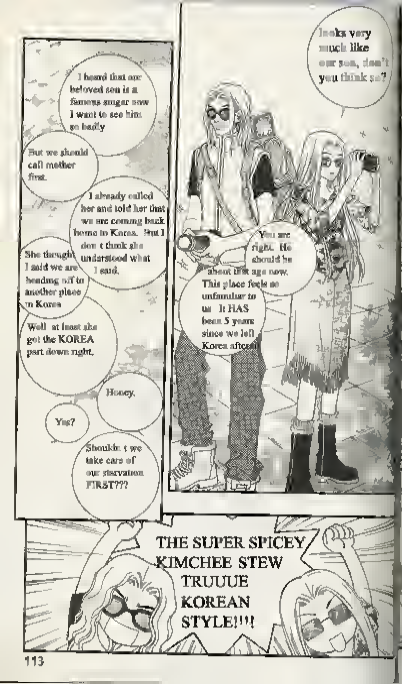
It's almost like I'm a normal every day student again.
It's kind of a strange and odd feeling.

Don't you know that I haven't been to a movie ever since I joined Yo-t? So today it feels mighty special!



Whenever I have to be the Lee Xiao in Yo-t in front of others (which is most of the time), I'll try my best to control my own true emotions.
I can't really get mad. I can't really be my obnoxious self. And when I dislike someone, I also can't really do anything to that person.
Lee Xiao-la Mr. Bad attitude.

But whenever I am with you.



I heard that our beloved son is a famous singer now. I want to see him so badly
But we should call mother first.
I already called her and told her that we are coming back home to Korea. But I don't think she understood what I said.
She thought I said we are heading off to another place in Korea
Well at least she got the KOREA part down right.
Honey.
Yes?
Shouldn't we take care of our starvation FIRST???
Looks very much like our son, don't you think so?
You are right. He should be about that age now. This place feels so unfamiliar to us. It HAS been 5 years since we left Korea afterall

Are you still worried?
Yes. Just a little bit.
I'll have to try my best to NOT let her find out.

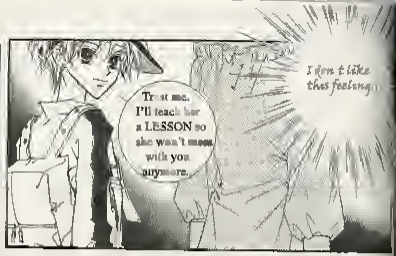
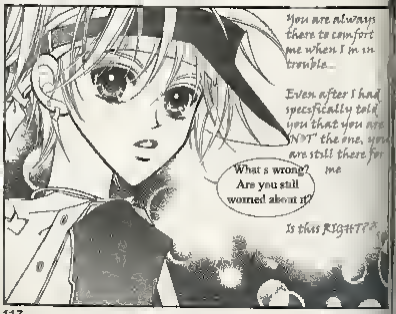
Aish. ...



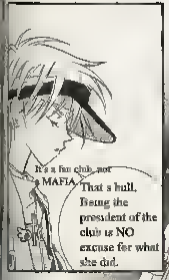
I don't like this feeling...
Treat me. I'll teach her a LESSON so she won't mess with you anymore.

Lee Kwang, you won't understand how I feel...
I know I am taking you for granted...

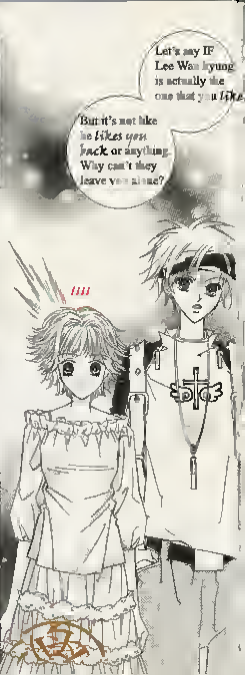


You are always there to comfort me when I'm in trouble...
Even after I had specifically told you that you are NOT the one, you are still there for me
What's wrong? Are you still worried about it?
Is this RIGHT???

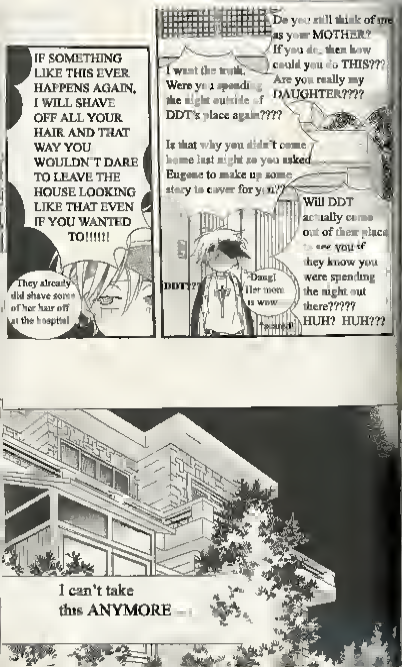
Umm, maybe it's because she IS the president of the club and...



It's a fan club, not a MAFIA.
That's bull. Being the president of the club is NO excuse for what she did.



Let's say IF Lee Wan kyung is actually the one that you like...
But it's not like he likes you back or anything. Why can't they leave you alone?
!!!!



IF SOMETHING LIKE THIS EVER HAPPENS AGAIN, I WILL SHAVE OFF ALL YOUR HAIR AND THAT WAY YOU WOULDN'T DARE TO LEAVE THE HOUSE LOOKING LIKE THAT EVEN IF YOU WANTED TO!!!!!!
They already did shave some of her hair off at the hospital
Do you still think of me as your MOTHER?
If you do, then how could you do THIS???
I want the truth.
Are you really my DAUGHTER????
Were you spending the night outside of DDT's place again????
Is that why you didn't come home last night so you asked Eugene to make up some story to cover for you??
Will DDT actually come out of their place to see you if they know you were spending the night out there?????
DDT??

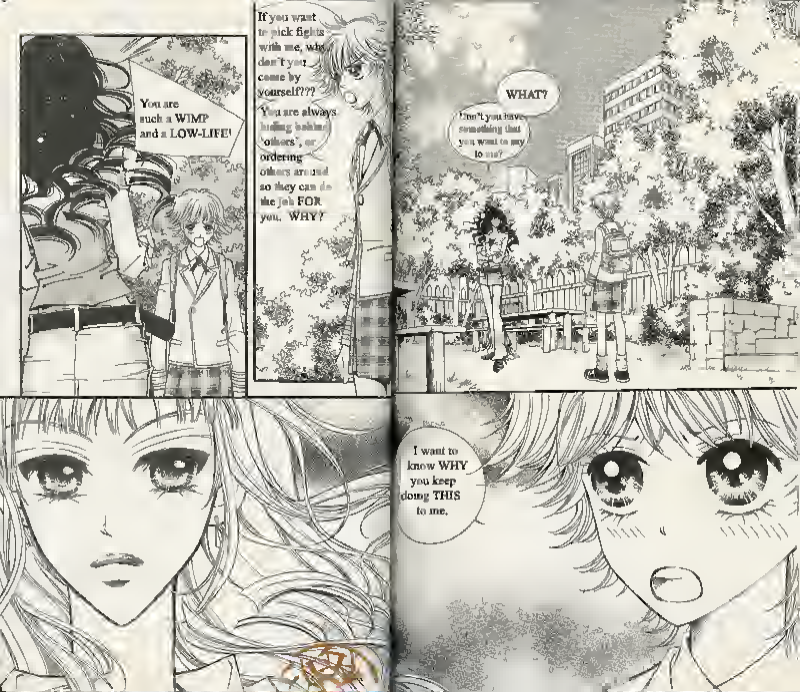
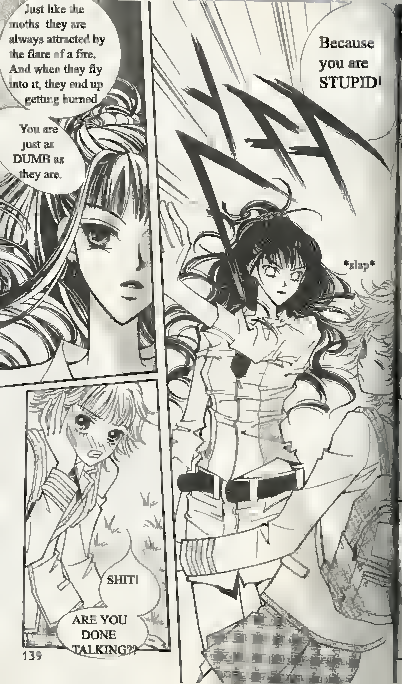
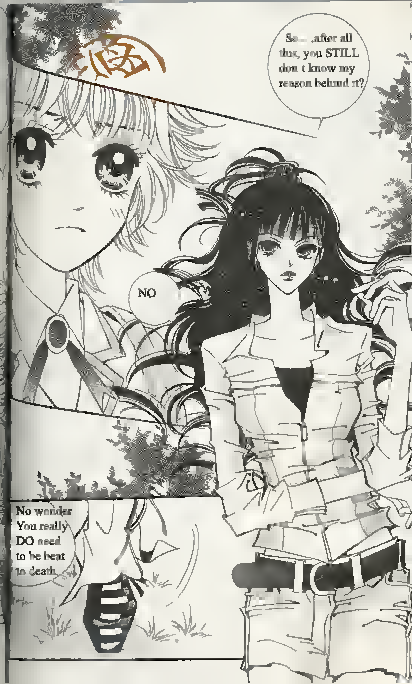
Pahhh you are a DAD man!?
You ARE?
Why it is such an HONOR to meet you! Do you want to take a picture? You have a VERY interesting face!
I love taking pictures of weird things...
Are you two really Lee Xiao's parents? He told us that the two of you are deceased?
I'm confused...
Do you mind telling us who YOU are???



You are such a WIMP and a LOW-LIFE!
If you want to pick fights with me, why don't you come by yourself???
You are always finding excuses, "others", or ordering others around so they can do the job FOR you. WHY?
WHAT?
Don't you have something that you want to say to me?
I want to know WHY you keep doing THIS to me.

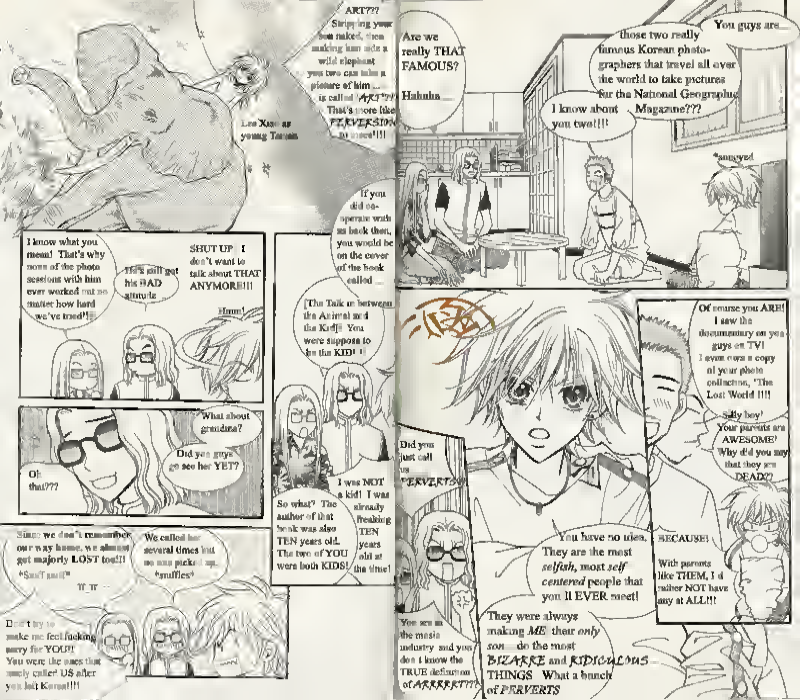


Just like the moths they are always attracted by the flare of a fire. And when they fly into it, they end up getting burned.
You are just as DUMB as they are.
Because you are STUPID!
slap
SHIT!
ARE YOU DONE TALKING??

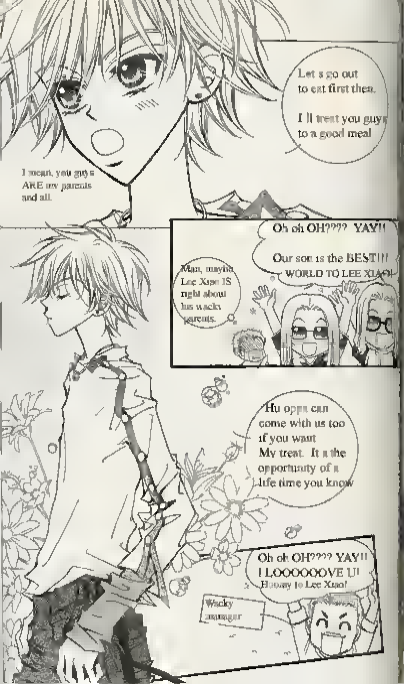


So... after all this, you STILL don't know my reason behind it?
NO
No wonder You really DO need to be beat to death.

Have you lost your mind? Let go of me!!!!
Once she catches you she doesn't let go
You are dead meat!
Not me, by a fighter
HEY!! STOP IT!!!
This lasted 30 minutes
This THIS!
Take THAT!
And THIS!!
And THAT!
WHAT??
Mr. Lee Yuan-Dai and Mrs. Tao Ming-Jing?
What MOTH??
WHO ARE YOU CALLING A 'MOTH'????
HEY!!!!
What do you think you are doing? LET GOO!
I said LEEEET GOOOOOO!!!



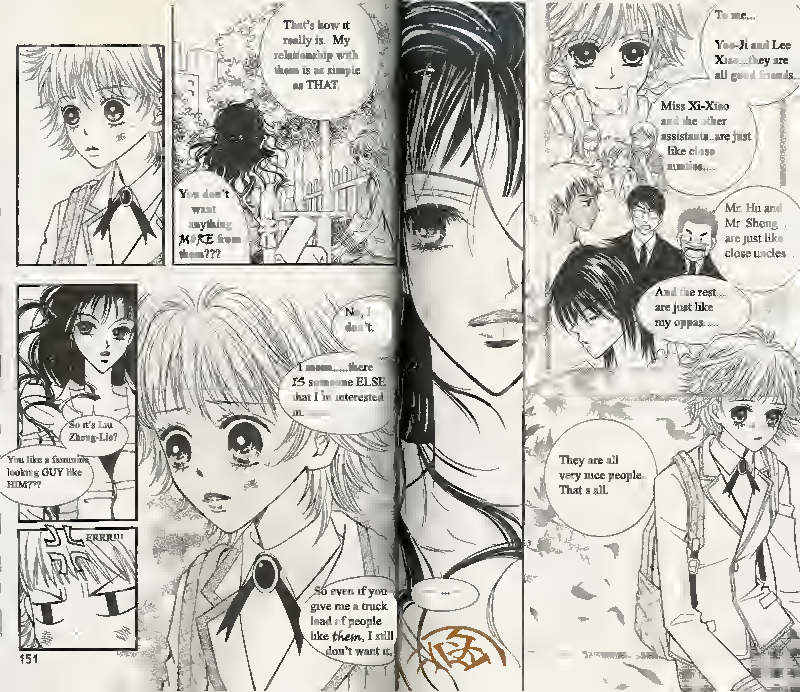
ART???
Stripping your son naked, then making him ride a wild elephant while your two cats take a picture of him ... is called "ART"??
That's more like PERVERSION ... Or worse!!!!
Lee Xiao as young Tarzan
I know what you mean! That's why most of the photo sessions with him ever worked out no matter how hard we've tried!!!
He's still got his BAD attitude
SHUT UP ... I don't want to talk about THAT ANYMORE!!!!
Hmm!
If you did co-operate with us back then, you would be on the cover of the book called ...
[The Talk in between the Animal and the Kid]: You were suppose to be the KID!!!
What about grandma?
Did you guys go see her YET?
Oh that???
I was NOT a kid! I was already freaking TEN years old at the time!
So what? The author of that book was also TEN years old. The two of YOU were both KIDS!
Since we don't remember our way home, we almost got majorly LOST too!!!
Sniff sniff
We called her several times but no one picks up. *sniffles*
Don't try to make me feel fucking sorry for YOU!!! You were the ones that rudely called US after you lost Kazuo!!!!
Are we really THAT FAMOUS?
Hahaha ...
those two really famous Korean photographers that travel all over the world to take pictures for the National Geographic Magazine???
You guys are ...
I know about ... you two!!!!
annoyed
Of course you ARE! I saw the documentary on you guys on TV! I even own a copy of your photo collection, "The Lost World !!!!
Sally boy! Your parents are AWESOME! Why did you say that they are DEAD??
BECAUSE!
With parents like THEM, I'd rather NOT have any at ALL!!!
Did you just call us "PERVERTS"?
You have no idea. They are the most *selfish*, most *self centered* people that you'll EVER meet!
They were always making *ME* their *only son* ... do the most BIZARRE and RIDICULOUS THINGS. What a bunch of PERVERTS
You are in the music industry and you don't know the TRUE definition of BIZARRE???



Let's go out to eat first then.
I'll treat you guys to a good meal
I mean, you guys ARE my parents and all.
Oh oh OH???? YAY!!
Our son is the BEST!!!
WORLD TO LEE XIAO!
Man, maybe Lee Xiao IS right about his wacky parents.
Hu oppa can come with us too if you want
My treat. It's the opportunity of a life time you know
Oh oh OH???? YAY!!
I LOOOOOOVE U!
Hooray to Lee Xiao!
Wacky teenager
Why would I be? I don't know what the heck they want EITHER!! It's kind of like WHATEVER!!
Hello? Grandma? Where are YOU!?? You are at great aunt's house??? WHY DIDN'T YOU TELL ME??????
I have NO CLUE
Gosh I wonder why he has such a potty mouth
Mom and dad is back home now!
Their family has NO order
Is she coming back now?
No Tamaru is great aunt's birthday. She won't be back until afterwards.
Come on I'll show you guys the way HOME
Wait! Do you have any thing to eat here? We are sooo hungry!!
staunch grin/jerk

Did I catch a cold or something??
I should go lie down
What a stroppy boy he is. Yet don't JOKE about illness like that.
Where are you going?
Lee Wan!
Yes, yes!! Coming!
No. I'm not feeling well so I left dance practice early.
I'm going out to eat. It's Lee Xiao's treat! Do you want to come?
WHAT? I thoug... they died a long time ago?
It's a long story
I'm heading out now. Get some rest, ok?
Why is that boy suddenly so generous today?
Oh. It's because his parents are back.

I know you are NOT going to like what I'm about to tell you...
But the truth is that.....
To me,
they are NOT celebrities (gasoos) and they are NOT famous teen idols...
No matter how pissed off you are, you still shouldn't scratch someone's face with your nails!!!
You ruined my face!
Look at me!!! Sheesh.
I HAD IT WORSE! I had stitches on my forehead and I even had part of my hair shaved OFF at the hospital!!!
So SHUT UP!!!
Stop hanging around them then! Just LEAVE THEM ALONE!!!! Lee Wan is MINE.!!!
Hey WHAT??
Now listen.
Damn. You sure WERE brutal back there!!!!
Pfssssh
Compare THAT to what YOU did to ME, that was NOTHING!!!



That's how it really is. My relationship with them is as simple as THAT.
You don't want anything MORE from them???
To me...
Yao-Ji and Lee Xiao...they are all good friends.
Miss Xi-Xiao and the other assistants...are just like close aunties....
Mr. Hu and Mr. Shong are just like close uncles.
And the rest... are just like my oppas....
They are all very nice people. That's all.
No, I don't.
I mean.....there IS someone ELSE that I'm interested in.....
So it's Liu Zheng-Lie?
You like a famous looking GUY like HIM???
ERRR!!!
So even if you give me a truck load of people like them, I still don't want it.
...

Very well. I'll drop everything.
Celebrities need to have regular people as their companions and friends too.
I understand all that now. I'll accept you.

That is just a FEELING! ♡
Don't you know??
Oh huh?

Oh that?
Soooooooo? Aren't you also so in LURVE with that sour mouth Lee Wan oppa???

Hehehehe...

I have never ever met another girl who is daring enough to challenge me face to face like you did.
You sure are a fearless one.
I like that about you.

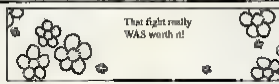
Now I need to head to a salon to fix my hair first.
Gosh, why is she still soo cool??? I really admire how she can move right on no matter what has happened.
No wonder they picked HER to be the club's president!!

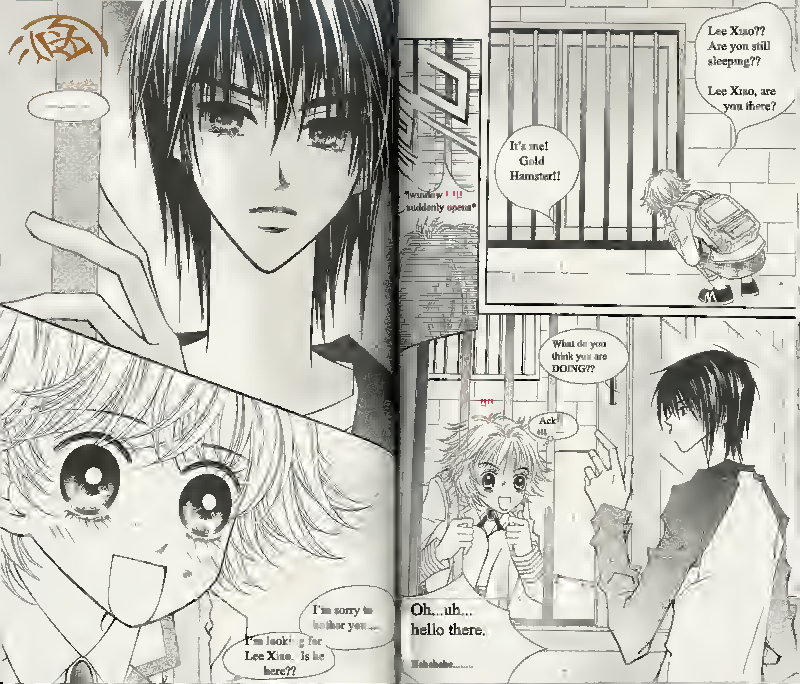
It is such an HONOR to be challenged by a great warrior like you.
Just like true samurais, after a duel with a worthy component, they always pay respect to each other at the end of the fight.



That fight really WAS worth it!

He told me that he'll be home today...
The phone surf. 6 missed calls from Jing-Zhi....Lee Wan is checking the phone.
I want to tell him about what happened.
LEE----XIAO----!!

That's weird...
rrrrr *rrrr*
Lee Xiao left his phone here.



Lee Xiao?? Are you still sleeping??
Lee Xiao, are you there?
It's me! Gold Hamster!!

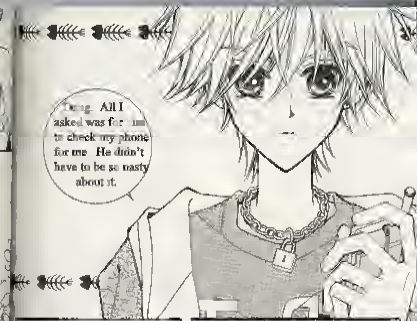
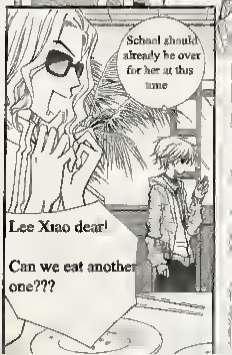
Once you earn the money, you might as well spend some of it.

What the hell is THIS?
N.I.C.E!
It's a Chinese medicine that'll get rid of your cold. It's better than Western medicine.
She actually got this because it tastes a LOT worse than regular meds
But I DON'T know anything about Chinese medicine



Tsk. All I asked was for him to check my phone for me. He didn't have to be so nasty about it.

It's soooooo delicious!!
DO YOU GUYS KNOW HOW MUCH A KING CRAB COSTS???
ROOOARRRRRRRRR!!!!!!!!



School should already be over for her at this time
Lee Xiao dear!
Can we eat another one???

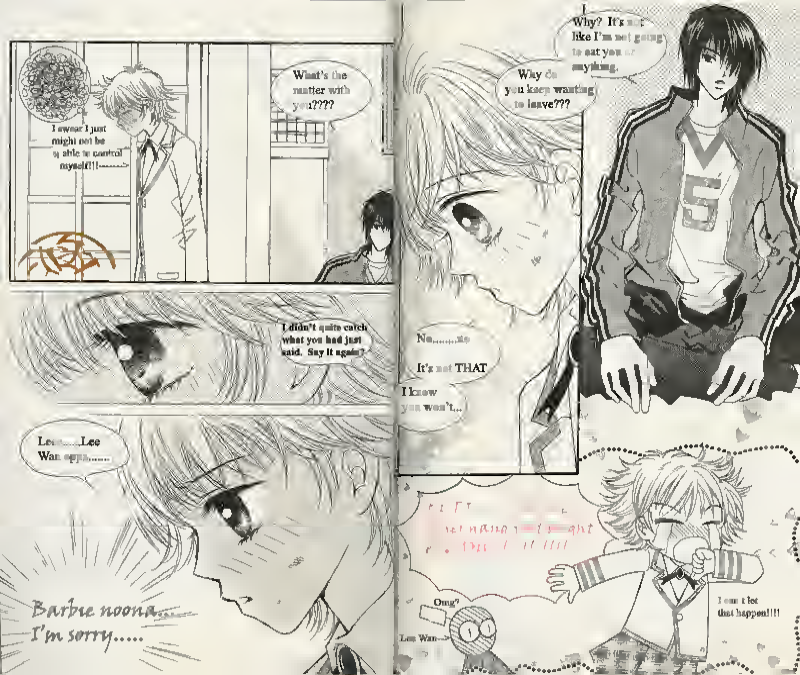
No.
I can't do it.
sigh
PLEASE!!
Hurry!!!!
COME OOOOON!
Do it!!!
Come on, take it! You won't start to feel any better unless you do!!!!!!!!!!
Muhahahha!!
I'm gonna remind you, I'm awfully HAPPY about this . . .
Gahhh? Why WOULD I?
Don't be silly!
Hehehehehe...
examine the package carefully
Whatever. Suit yourself. I'm leaving now. Whether you take the med... not, is YOUR business.
I swear. He REALLY doesn't trust anyone, does he?????
You're leaving???
WHY????
He's taking his time deciding.
ARGH! Just take the DAMN MEDICINE!!!
She wants to see his face after he finds out how bad it tastes
Mr Serious
Should I eat this?

7:46PM
"Playing a game on his phone."
"Listening to his headphones."
8:02PM
"Terror"
8:12PM
"Sitting on the phone, watching TV."
LEE WAN IS COMPLETELY IGNORING HER.
Is there anything ELSE that he HASN'T DONE YET???? Jing-Zhi sobs herself....
Aren't you looking for Lee Xiao? He'll be back very soon.
7:32PM

SICK? Are you REALLY SICK??? How come you don't look that way to me AT ALL?????
He is such a LIAR!
What a fun rush anyway? Don't you stay out late all the time?
It doesn't make sense, to me when I hear you say that you need to go HOME because it's LATE.
Give me a break!
DAMN HIM AND HIS SMART MOUTH!!!
He's got you THERE, Gold Hamster!
I still think I should get going now. It's already kind of late...
Pshhh! I'm not some life-less object that you can place aside and ignore...!!!!
You are SO #HEARTLESS
I suppose you don't feel any GUILT for leaving a sick person like ME behind.

I already can't help myself from blushing just by watching him from this distance.
Gosh, he really IS GOOD LOOKING.
~sigh~
I am so helpless...
At a time like this, all I can think about is still his good looks.
8:34PM
He is a total mystery. I never know what he truly wants or what he is really thinking.
He makes me stay and won't let me leave. And once I do stay he continues to ignore me.

So you don't want anything MORE from them???
I...
I still think that I should leave now
FF...
~sigh~
Look at you...
Did you get into another fight?
!!!!!
You are a girl
How come your face is always a mess?
See? There's even a cut on your lip



I swear I just might not be able to control myself!!!.....
What's the matter with you????
I didn't quite catch what you had just said. Say it again?
Barbie noona... I'm sorry.....
Why? It's not like I'm not going to eat you or anything.
Why do you keep wanting to leave???
No.....no
It's not THAT
I know you won't...
Omg?
I can't bet that happen!!!!

I really am sorry for what I am about to do.....
